## How to Use Your Prescription Plan:

1. **Select a Pharmacy/Find a price:** Your card is valid at thousands of locations nationwide. Simply use the location and pricing tool provided on this web site to locate a participating pharmacy near you and their pricing information for your prescription medications.
2. **Submit your prescription:** Present your prescription to the pharmacist. If you need to transfer a prescription, bring your empty prescription bottle or label with you to the pharmacy.
3. **Show your card:** Give your card to the pharmacist each time you place your prescription order.
4. **You Save Up to 75%:** Once your prescription is filled you pay the discounted price. It's that easy!

**PLEASE COPY & SHARE THIS CARD WITH FRIENDS, FAMILY, CO-WORKERS & OTHERS.**
